### VINTAGE

2021 was a spectacular vintage. It was a drought year, so Mother Nature was responsible for trimming yields and producing a plentiful and beautifully balanced crop. This was a nice contrast compared to previous drought years when the crop was very small and the wines were more muscular. In 2021, the clusters were medium in size and the berries were plump with a good number of seeds, excellent skin to juice ratio and beautiful acidity. The summer months had beautiful ripening weather with very few heat spikes, allowing the grapes to ripen evenly, while having time to develop lots of flavor. Veraison began in mid to late July and the weather from that point until harvest was perfectly moderate yielding excellent hang time and world class wines.

## WINE ENTHUSIAST

*"Focused, pure red and black cherries infuse this wine with fruit intensity from the first whiff to the tangy, lip-smacking finish. Sour cherries, rhubarb, moderate tannins and bracing acidity add to its tangy allure."* - J.G. 12/23
